

Data Processing Agreement

Payroll processing, hosting, support, and cross-border access

FICTIONAL SAMPLE FOR PRODUCT DEMONSTRATION ONLY. No real parties, employees, payroll records, or legal advice.

Reference	DEMO-DPA-2026-009	Effective date	1 November 2026
Party A	Cedarfield Manufacturing SE (Controller)	Party B	LumenPay Services B.V. (Processor)
Term	Co-terminous with the payroll services agreement	Contract value	No separate fee
Governing law	Belgium	Document state	Draft for review

This Data Processing Agreement (DPA) forms part of the fictional payroll services agreement between Cedarfield Manufacturing SE as Controller and LumenPay Services B.V. as Processor. It governs processing of personal data for payroll calculation, payment files, statutory reporting, employee support, hosting, and service administration.

In consideration of the mutual promises in this Agreement, the parties agree as follows.

1. Processing instructions

LumenPay will process personal data only on documented instructions from Cedarfield, including instructions regarding transfers, unless processing is required by applicable law.

LumenPay must promptly notify Cedarfield if it believes an instruction infringes applicable data protection law.

2. Confidentiality and security

Personnel authorised to process personal data must be bound by confidentiality obligations. LumenPay will maintain measures appropriate to the risk, including access control, encryption in transit and at rest, logging, backup testing, vulnerability management, and incident response.

3. Subprocessors

Cedarfield gives general authorisation for the subprocessors listed in Schedule 2. LumenPay will give at least 15 days' prior notice of a new or replacement subprocessor.

Cedarfield may object on reasonable data protection grounds. If no commercially reasonable alternative is available, either party may terminate the affected Service on 30 days' notice.

4. International transfers

Primary hosting will remain in the European Union. Remote support may be provided from Canada and India.

For transfers not covered by an adequacy decision, the parties incorporate the applicable 2021 European Commission Standard Contractual Clauses. LumenPay will support a transfer impact assessment and supplementary measures where reasonably required.

5. Personal data incidents

LumenPay will notify Cedarfield without undue delay and no later than 36 hours after becoming aware of a confirmed Personal Data Breach.

The notice will describe the nature of the incident, affected data and individuals, likely consequences, containment measures, and a contact point. LumenPay will provide reasonable cooperation for regulatory and data-subject notifications.

6. Data subject and regulator assistance

Taking into account the nature of processing, LumenPay will assist Cedarfield with data-subject requests, data protection impact assessments, prior consultations, and regulatory enquiries.

7. Audit rights

Once per calendar year, LumenPay will provide current independent assurance reports and security summaries. Cedarfield may conduct an on-site audit on 30 days' notice if those materials are insufficient or following a material incident.

Cedarfield bears the reasonable cost of an audit unless it identifies a material breach by LumenPay.

8. Return and deletion

On termination, LumenPay will return personal data in a commonly used format and delete remaining copies within 30 days, unless retention is required by law. Backup copies will be isolated and deleted within 90 days.

9. Liability and priority

Liability is governed by the main services agreement. If there is a conflict concerning personal data, this DPA prevails.

10. Governing law

This DPA is governed by Belgian law. Courts in Brussels have exclusive jurisdiction, without limiting either party's rights under the Standard Contractual Clauses.

Schedule 1. Processing description

Category	Details	Retention / location
Data subjects	Employees, contractors, dependants, former workers	Service term plus statutory retention
Personal data	Identity, contact, bank, tax, salary, absence, benefits	EU primary hosting
Special categories	Health-related absence and union deductions where required	Restricted payroll roles
Support access	Troubleshooting and service administration	Canada and India
Incident notice	Confirmed Personal Data Breach	Within 36 hours

Signatures

The parties intend to be legally bound when this Agreement is signed by their authorised representatives.
